

How do I play Battle of the Legends bonus games feature in Muay Thai Legend?

Battle of the Legends Bonus Game

The Battle of the Legends bonus game will be triggered when the bonus symbol appears on reels 1 and 5 during the Free Spins game. In this bonus game, the player has to knock down his opponent. The player will choose cards to fight the opponent. By picking the card with the blue fighter will cause the player to attack the opponent. While picking the card with red fighter will cause the opponent to strike back. The different multipliers are ranging from x2, x5, x10, x20, and x50. The prize from the bonus game will be multiplied by the total bet.

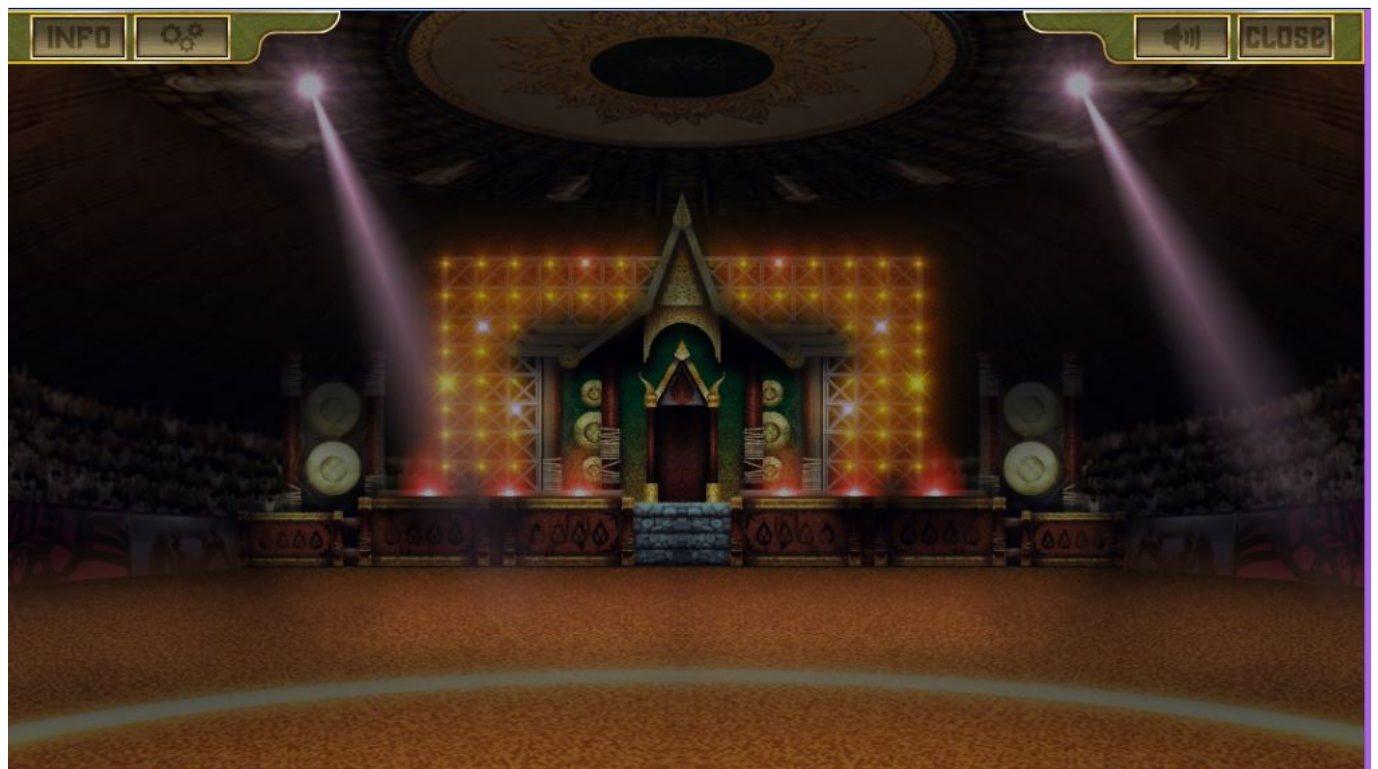

The Bonus Game is triggered when the bonus symbol lands anywhere on reels 1 and 5.

The Battle in bonus symbol will be lighted up to indicate the Battle of the Legends bonus game is being activated.

The spins scene will be changed to “You’ve unlocked the Bonus Game”.

The scene will then shift to the stage where the two fighters will square off.

The Bonus Game Scene's instruction will appear to provide instructions to the players.

The player will then see the word FIGHT, signaling the start of the bonus game.

The player will choose a card in the six cards set. Picking the card with blue fighter will let the player punch the opponent while the card with red fighter will cause the opponent to attack the player.

The player has three chances to pick a card to knock out the opponent.

Picking up the card with blue fighter, the reels will start spinning with the multipliers of $\times 2$, $\times 5$, $\times 10$, $\times 15$, $\times 20$ and $\times 50$.

After the player knocks out the opponent, the winning flier with the respective winnings will appear.

At the end of bonus game, the total prize will be displayed on the player's UI and the

remaining free spins will be resumed.
